

Philips Avent  
Bottle to Cup Trainer Kit

Natural  
4m+

SCF251/04

## Ease your baby's transition to a drinking cup

This Natural trainer kit eases your baby into their first cup. The comfort grips helps your baby hold the bottle independently while drinking from the familiar nipple. When ready, switch to the silicone spout to complete the transition.

### Ideal first step to a drinking cup

- Soft touch trainer handles for little hands
- Advanced anti colic system with innovative twin valve
- Unique comfort petals for an extra soft and flexible nipple

### Convenient for you and your baby

- Interchangeable with Natural Nipple
- All parts are dishwasher safe for convenience

### Other benefits

- This cup is made from BPA free material
- Compatible with Philips AVENT bottles

## Highlights

### Ergonomically designed trainer

Trainer handles help your toddler to hold the cup and drink independently. These handles are not only shaped for little hands to grasp easily, they are also designed for anti-slip.

### Unique comfort petals

Petals inside the nipple increase softness and flexibility without nipple collapse. Your baby will enjoy a more comfortable and contented feed.

### Advanced anti-colic valve

Innovative twin valve design reduces colic and discomfort by venting air into the bottle and not baby's tummy.

### Cup is dishwasher safe

All parts are dishwasher safe for convenience

### BPA Free

This Philips AVENT cup is made from BPA free material

### Compatibility across the range

The new Philips AVENT cup is compatible with the Philips AVENT Natural and Classic bottle range, excluding the glass bottle.

### Interchangeable

The Sip, no drip soft spouts are Interchangeable with Natural nipples. This gives you flexibility to move from bottle to cup whenever your child is ready to transit.
